Recruiting Social Media Volunteers

Social media is our number one outlet to communicate with the public. We feature adoptable animals, call for foster care, share success stories, post events, request donations and generally give you an idea of what we have going on at the shelter. Do you want to help us? We are currently recruiting for social media volunteers. These social media warriors will volunteer their time to help us maximize our social media reach in the name of finding every animal a home.

Please share this with anyone who may be interested!

Qualifications:

- Must love animals. Must be very comfortable around all breeds of animals. Except snakes. We can't force you to love snakes and that is ok.
- Must possess a smart phone and know how to use it. Must be familiar with the concept of Facebook, Twitter and Instagram as well as taking photos and videos.
- Availability: Negotiable. Preferably a few hours a week.
- Creativity: The more creative the better.
- Communication: Volunteers must be versed in email and text communication as well as sending videos and photos through these channels.
- Perks: Animals. Obviously.
- You must be at least 18, sorry kids.

If you think you might be interested, please go through our social media feeds and get an idea of how we do it. Then come up with your own ideas.

To express your interest please send us a Facebook message or email haynesja@saccounty.net with the following information:

1. Name, age, phone number and email address.
2. Expected availability (It is not set in stone, don't worry).
3. 3-4 Ideas to improve and expand our social media reach.
